From the Director General of Police, Telangana State, Hyderabad,  
Lr.No.218/Plg.1/2014, dated: 15.09.2014.

\*\*\*

ORDER:

The Director General of Police, Telangana State, Hyderabad, in his letter read above has stated that the Commissioner of Police, Cyberabad has informed that with a view to improve the standards of Policing in Cyberabad Metropolitan Area since the Government has been making all out efforts to transform it into an international hub for economic activity, scientific research and technological innovation and to attract investments from all over the world. In view of this, there is a need to provide a safe and secure environment congenial for development, as peace is the prerequisite for any development.

2. Further, he has informed that the presence of global enterprises and rapid economic growth in the Area has been attracting multitude of VVIPs and VIPs from across the globe representing diverse sectors including Industry, Politics, Scientific Research, Education, etc. The population has been increasing at geometric proportions. The volume and variety of Crime in terms of heinous and white collar offences, organized crime, land mafia, financial rackets, etc., has been on the steep increase. As a natural corollary, the needs and expectations of various segments of society vis-à-vis quality and standards of Policing have gone up. Thus, there is tremendous pressure for improving the quality of Police Service Delivery in tune with the Government priorities in this area together with a need for specialization in different spheres of Policing.

3. Cyberabad is growing very fast and as per the projection of HUDA, by the year 2021, population of Cyberabad will be around one crore compared to 70 lakhs of Hyderabad. Further the police Stations are over burdened and unable to cope with the work load.

4. Presently L.B Nagar zone has been divided into 3 Law and Order divisions and 12 Law and Order Police Stations. Out of these Police Stations, Ibrahimpatnam Police Station is over burdened with high crime rate and unable to cope up with the work load and vast area under its jurisdiction.

The areas of Adibatla, Bonguloor, Kongara kalan, Mangalpally and Patelguda villages are under the limits of Ibrahimpatnam Police Station have the following problems:-

- 1) These areas are discontinuous areas of Ibrahimpatnam PS and to reach these areas, the PS Staff has to travel at least a distance of 12 kms. including the TCS IT/ITES SEZ and Aerospace SEZ.
- 2) The TCS IT/ITES SEZ facility at Adibatla will be its world's largest campus and it is expected to house 28,000 software professionals in the next 2 years.

- 3) Tata Advanced Systems, Tata Lockheed Martin, Tara Aerospace Systems Limited (Joint Venture of Tata and Sikorsky) have already set up their plants in the Aerospace and Precision Engineering SEZ and about 4000 employees are already working in the Aerospace SEZ which is coming up in an area of 351 Acres at Adibatla Village out of which SEZ would come up on 250 Acres and the remaining 100 Acres has been earmarked for other ancillary units.
- 4) The TATA has set up three J.V projects in the Aerospace SEZ i.e. Nav Integrated System for manufacturing radar and electronic equipment for defence purposes.
- 5) Tata Aero Structures Limited has been set up for assembling of aircraft equipment and Tata Aerospace System Limited for manufacturing aircraft parts.
- 6) The general public is facing inconvenience to travel to a distance of 10 to 15 Kms. to go to Ibrahimpatnam Police Station.
- 7) Of late, the IT and ITES industries have become the targets of the terrorist outfits and hence require constant and dedicated policing from safety and security point of view.
- 8) About 6000 to 8000 women software employees will be recruited by the TCS which necessitates regular serve of beats and patrolling for the protection of women employees.
- 9) The above villages are located along the Outer Ring Road (ORR) within a radius of 5 KM of Adibatla and there is regular report of cases of homicide and dumping of unknown dead bodies which can only be eliminated by constant policing.
- 10) Owing to the establishment of software and hardware companies, the land values have gone up enormously and there is scope for the emergence of land mafia and land grabbers.
- 11) The adjoining villages of neighbouring Police Stations viz., Vanasthalipuram, Meerpet and Pahadi Sharif have been identified and are tagged onto the proposed Adibatla Police Station in order to ensure effective utilization of the new Police Station and to enhance policing in the far-flung areas of neighbouring Police Stations.

5. The Commissioner of Police, Cyberabad has also informed that it is necessary to create a new police station in this area with the following areas included with name "Adibatla Police Station" under Ibrahimpatnam Division and L.B Nagar Zone of Cyberabad. The Director General of Police, Telangana State, Hyderabad, has requested the Government to issue orders in the matter.

**AREAS FOR CREATION OF NEW POLICE STATION**

<b>Name of the Village</b>	<b>Existing Police station</b>	<b>Local body</b>	<b>No. of colonies</b>
